

Badgers Learning Update

Week Beginning 20th September

We have had another great week this week in Badgers class. This week has seen us finish our scientific investigation into what plants need to grow and survive. We have also looked at how water is transported within plants, using celery and food colouring! Lastly we have looked at the life cycle of a flowering plant.

We have worked really hard all week in all our lessons and we are really proud of our attitude, behaviour and learning. Thanks Mrs Machin and Mrs McGann.

Writing

This week we have continued to study 'Belonging' by Jeanie Beaker. It is a picture book where all the pictures have been created through collage.

Suggested Writing Activity:

We have been learning about the key features of a diary, and what needs to be in them to make them successful. We have written a diary entry in role as Tracy.

Could you write a diary entry from one of the days over the weekend, which details what you did? Don't forget to include emotions and feelings, as well as time conjunctions and phrases. Also good descriptive language.

Reading

This week we have been continuing to look at information texts about Planet Earth. We have learnt lots of new words, such as vertebrates and invertebrates.

Suggested Reading Activity:

Part of the text, talks about animals and how they can be sorted in vertebrates or invertebrates. Can you choose either a vertebrate or an invertebrate and create a fact file about this animal. You could include what it looks like, information about its habitat, diet and where in the world it can be found.

Spelling

This week, I have noticed a few words that we are constantly spelling incorrectly. Can you practise these at home?
Because, does, doesn't, there and their, excited, our, are, hour, water

Maths

We have been learning this week about comparing and ordering numbers. Have a go at playing the game below. This will help you practise ordering numbers up to 1000. If you are feeling adventurous, you could maybe try even bigger numbers!

Reminders

- *Home readers will now be handed in on a Monday and given back out again on a Monday. Library books can also be changed on this day if required.
- *PE is on a Friday, so make sure you come to school in your PE kit on this day.
- *Music will be every Thursday. Please make sure the children have their ukuleles in school each week for this.
